Campbell's Soup Labels/ Boxtops for Education Corner

Is everybody ready for the last contest of the year? Our last Campbell's Soup Labels/General Mills Boxtops for Education contest will be May 3-28. Flyers regarding this contest will be sent home soon (if they haven't gone home already). There will be a small prize for every student that turns in at least one item. The student who turns in the most boxtops will earn 100 Chuck E Cheese tokens. The student who turns in the most Campbell's soup labels will also earn 100 Chuck E Cheese tokens. The class that turns in the most will get a cupcake party! Wow! We only had 25% participation from the school in our last contest. ☹ We would love to see more families participate and help our school out! It's so easy to do! I've found that friends and family members don't mind saving them for you--they like to see the smiles such a simple act can bring! Complete guidelines for clipping will be posted on the bulletin board by the office. Good Luck! - Karey, Coordinator

Presidential Physical Fitness Testing

On May 11, 13, 18, & 20, Mrs. Harrison, our Physical Education teacher, will be conducting the Annual Presidential Physical Fitness Testing. Testing is based on participation and not physical aptitude.

Lost and Found

As our weather is mercifully getting warmer, our lost and found bin is overflowing with coats, sweaters, and sweatshirts that are being shed on the playground and, sadly, forgotten. So stop by the lost and found bin by the office and reclaim some of these poor lost items!

MVCS & MVCC Yard Sale

We will be having a yard sale in the MVCS Gym and parking lot on May 22 from 9 am – 5 pm. We are soliciting donations and volunteers for this upcoming sale. If you still need SALT hours, this is a great volunteer opportunity before the SALT deadline of May 30. You may drop off donations at the school office anytime between now and May 21. If you are willing to volunteer, please call the school office at 887-4019.

S.A.L.T. HOURS

Deadline for S.A.L.T. hours is May 31st, so get your forms in to receive credit for your hours. Thanks to all those who have been so gracious with their time and talents, we greatly appreciate all your help!

Print Cartridge Recycling

We are able to recycle used print cartridges of all types and get credit for new print cartridges. Please drop off your used cartridges in the School Office or send them with your child to their classroom. Teachers will forward them to the School Office. Thanks for your support!
